IN THE KITCHEN, PURPOSE IS PARAMOUNT.

Good design pleases the eye. Great design improves functionality. Hestan delivers on both form and function. It performs beautifully and accurately. With its clean lines, it harkens back to my early cooking days in France. Every detail is designed to elevate performance. Every burner, hinge and knob engineered to withstand the rigors of a real kitchen. Ultimately, the guest experience is elevated because it allows for consistent excellence.

RANGETOPS

Hestan rangetops deliver culinary muscle with delicate control. Dial in the performance to your preference with sealed or open burner systems. Or add menu-specific function with charbroilers, griddles, French tops and planchas. Add one of our modular bases to create a specialized freestanding range.

**CHEF DAVE BERAN,
DIALOGUE**

“One of the most important Hestan features for Dialogue’s kitchen is reliability. We run this range full blast for prep every day with no issues. The temperature control on the plancha and the French top is great, and it’s just generally consistent all the time.”

THE HESTAN TEAM

Hestan Commercial's award-winning lineup is dreamed, designed and built in Anaheim, California. Our team brings together a wealth of experience in the commercial kitchen. We've worked alongside and, more importantly, listened to America's most acclaimed chefs. That spirit of innovation and collaboration drives every new product and groundbreaking detail.

**CHEF TRACY CHANG,
CHEF/OWNER OF PAGU**

“It’s a pleasure to work with Hestan, who shares the same vision of modular design, cleanability, service, hospitality and innovation. Hestan gets it, is there for us when we need them and, above all else, cares to be better each day.”

IT’S ONE THING TO TALK ABOUT SHAKING UP THE COMMERCIAL KITCHEN. IT’S QUITE ANOTHER TO BACK IT UP - AND HESTAN DOES SO WITH OUR FOUR-YEAR WARRANTY PROGRAM. THIS INDUSTRY-LEADING PROGRAM IS JUST ANOTHER PROOF POINT IN OUR COMMITMENT TO BUILDING THE MOST RELIABLE COMMERCIAL KITCHEN AVAILABLE.

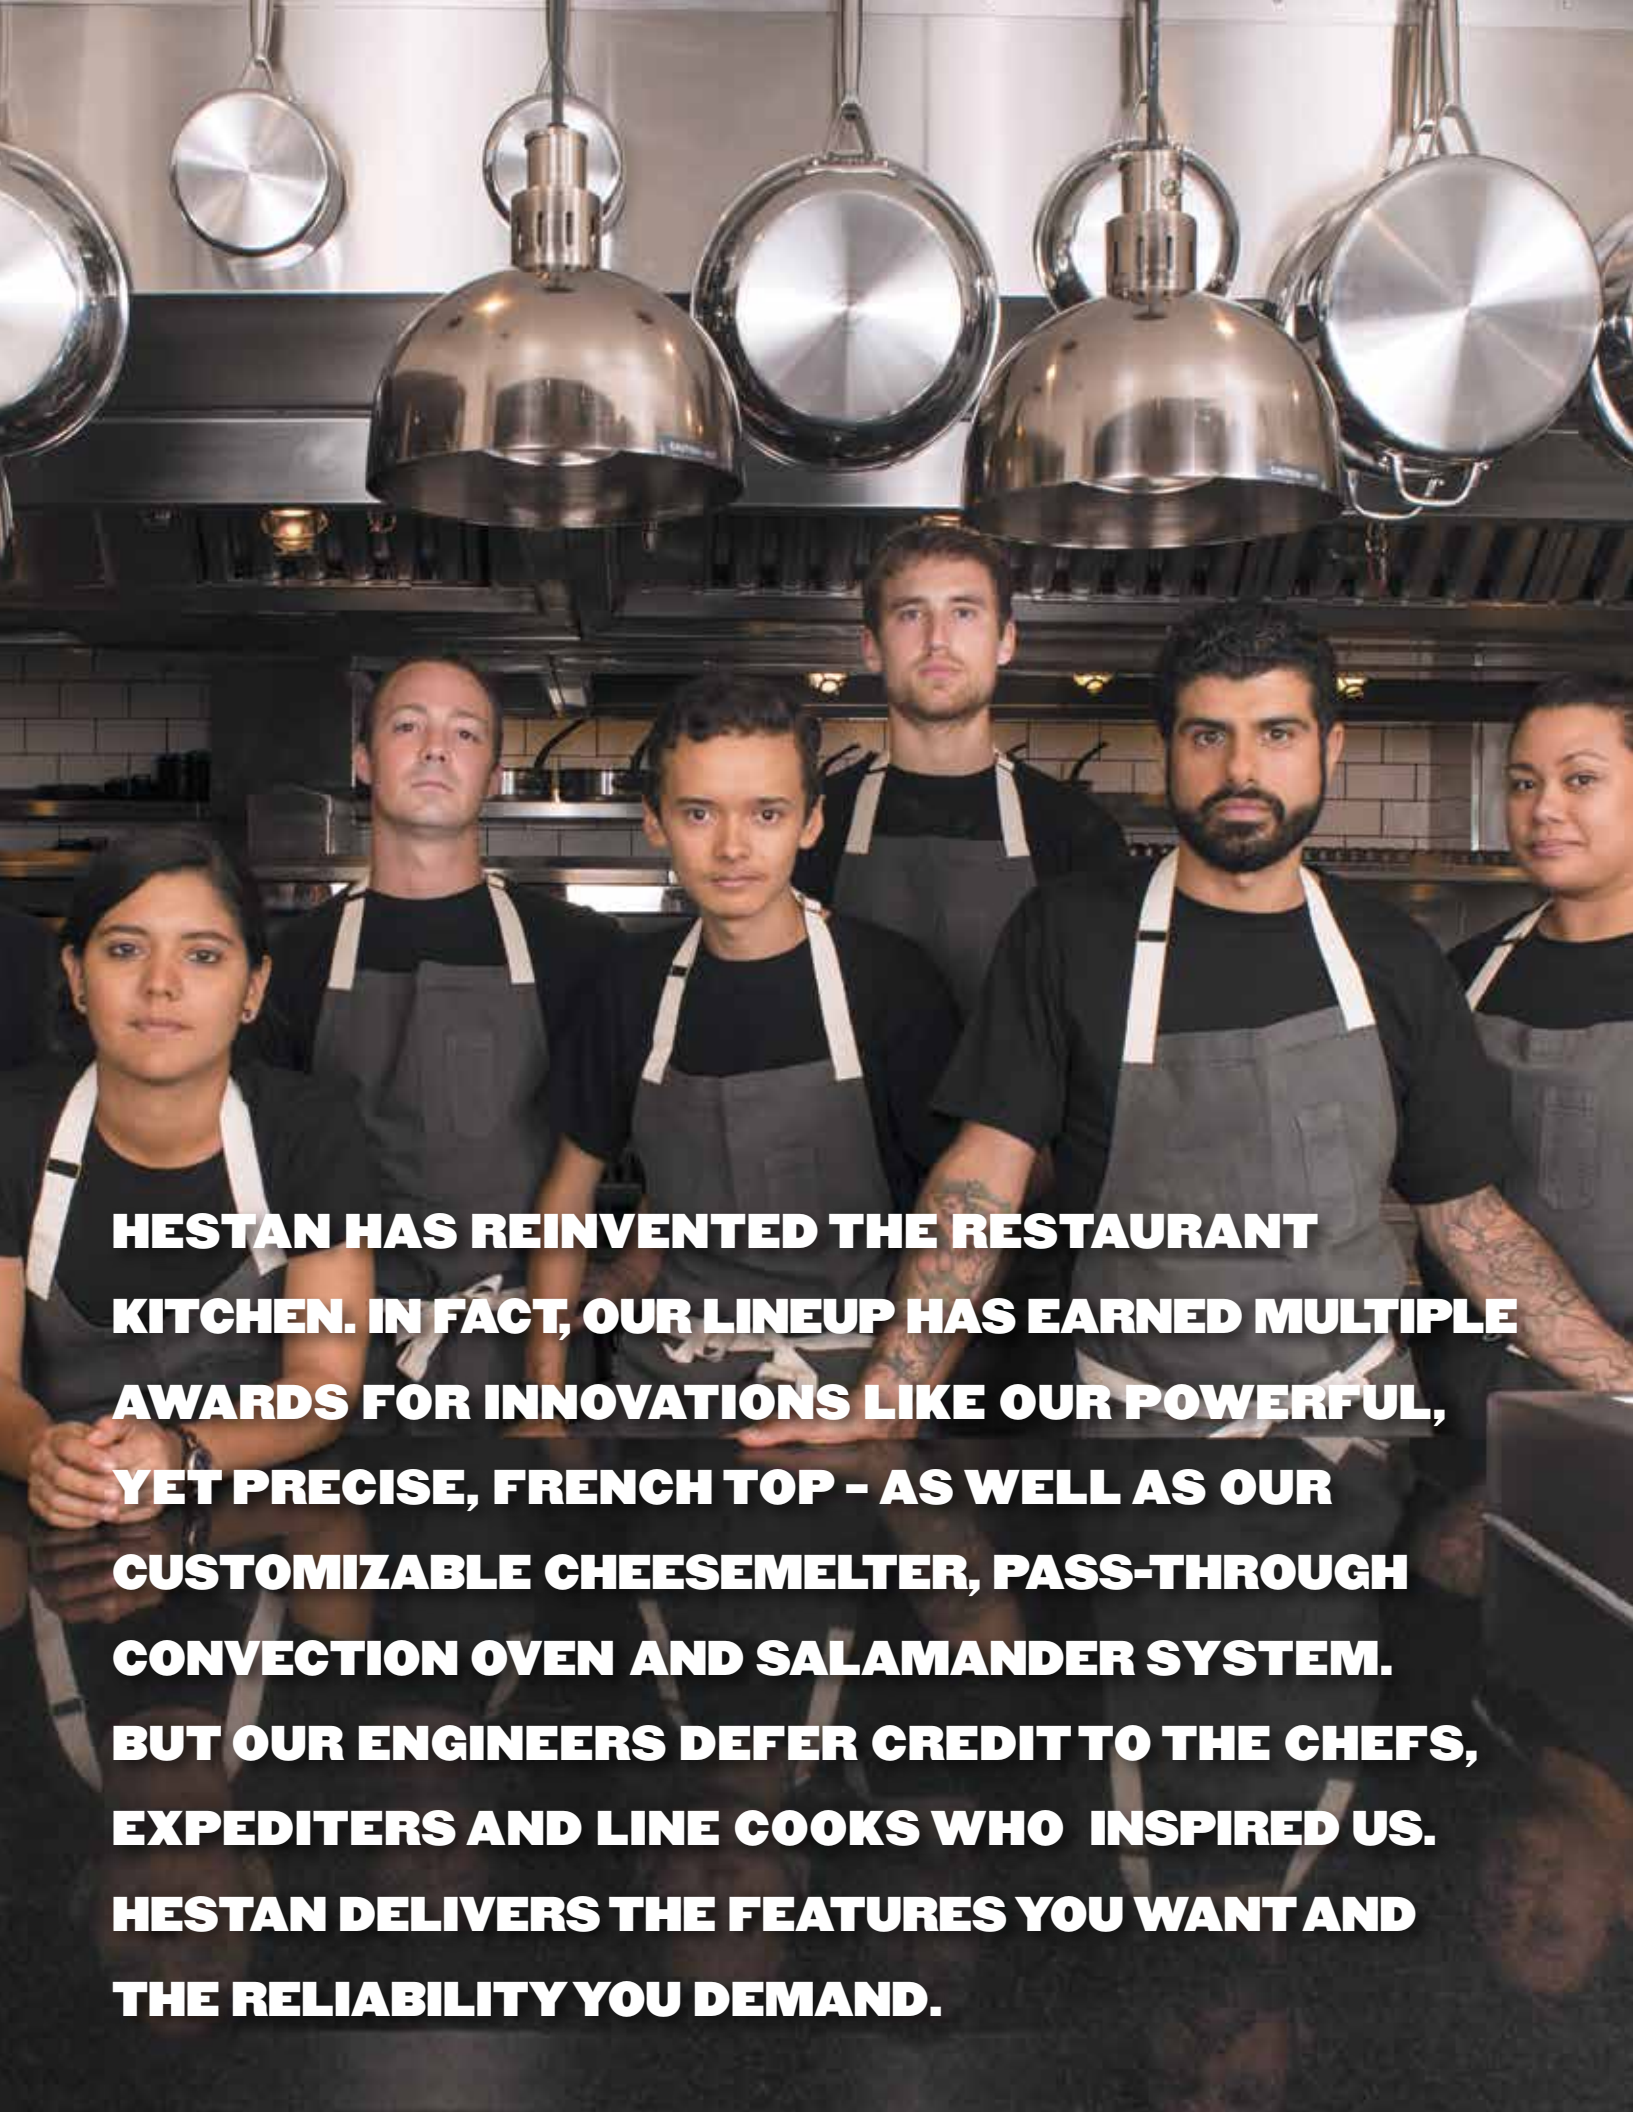

WE’RE JUST AS OCD AS YOU ARE WHEN IT COMES TO OUR KITCHENS. SO WE DESIGN AND BUILD EVERYTHING AT HESTAN HEADQUARTERS IN ANAHEIM, CALIFORNIA. WE MAKE SURE EVERY DETAIL IS ABSOLUTELY PERFECT BEFORE YOUR HESTAN LEAVES OUR FLOOR. SO HOPEFULLY THIS IS THE LAST TIME WE EVER HAVE TO MENTION WARRANTY. BUT IF NEED BE, WE’RE ALWAYS RIGHT HERE TO MAKE THINGS RIGHT.

COLOR

Our signature color finishes reflect Hestan's bold performance and design. But these color chips are simply a conversation starter for your Hestan. We can blend virtually any color you dream up, then powder coat your perfect kitchen.

HESTAN HAS REINVENTED THE RESTAURANT KITCHEN. IN FACT, OUR LINEUP HAS EARNED MULTIPLE AWARDS FOR INNOVATIONS LIKE OUR POWERFUL, YET PRECISE, FRENCH TOP - AS WELL AS OUR CUSTOMIZABLE CHEESEMELTER, PASS-THROUGH CONVECTION OVEN AND SALAMANDER SYSTEM. BUT OUR ENGINEERS DEFER CREDIT TO THE CHEFS, EXPEDITERS AND LINE COOKS WHO INSPIRED US. HESTAN DELIVERS THE FEATURES YOU WANT AND THE RELIABILITY YOU DEMAND.
