REFRIGERATORS and FREEZERS

from

UTILITY REFRIGERATOR

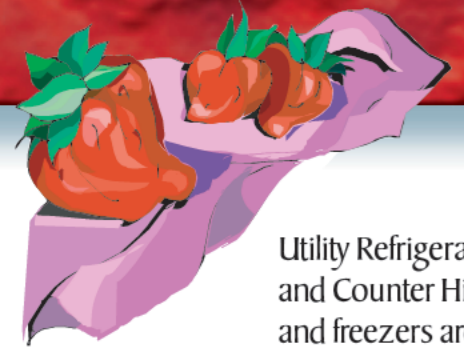

It's the Details that Make the Difference

Low Height Refrigerators and Freezers featuring *New* Sizes and *New* Pan Configurations

- 20 NEW Models All With Side-By-Side 6" Deep Pan Configurations
- Designed for Built-In Or Free Standing Installations

- More Models and Sizes than Any Other Manufacturer
- NOW! Stainless Steel Finished Tops Standard
- Available in 19" High or 21" High Models

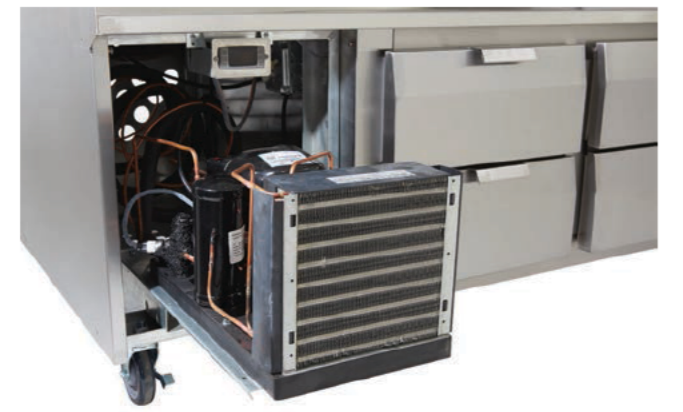

Utility Refrigerator's Low Height and Counter High refrigerators and freezers are built to the same high standards as our Reach-In products.

Whatever your needs in equipment stands or under counter refrigeration, look to Utility, where the importance of making **quality affordable** is never overlooked.

New! Only from Utility! Standard Slide-Out Condensing Units

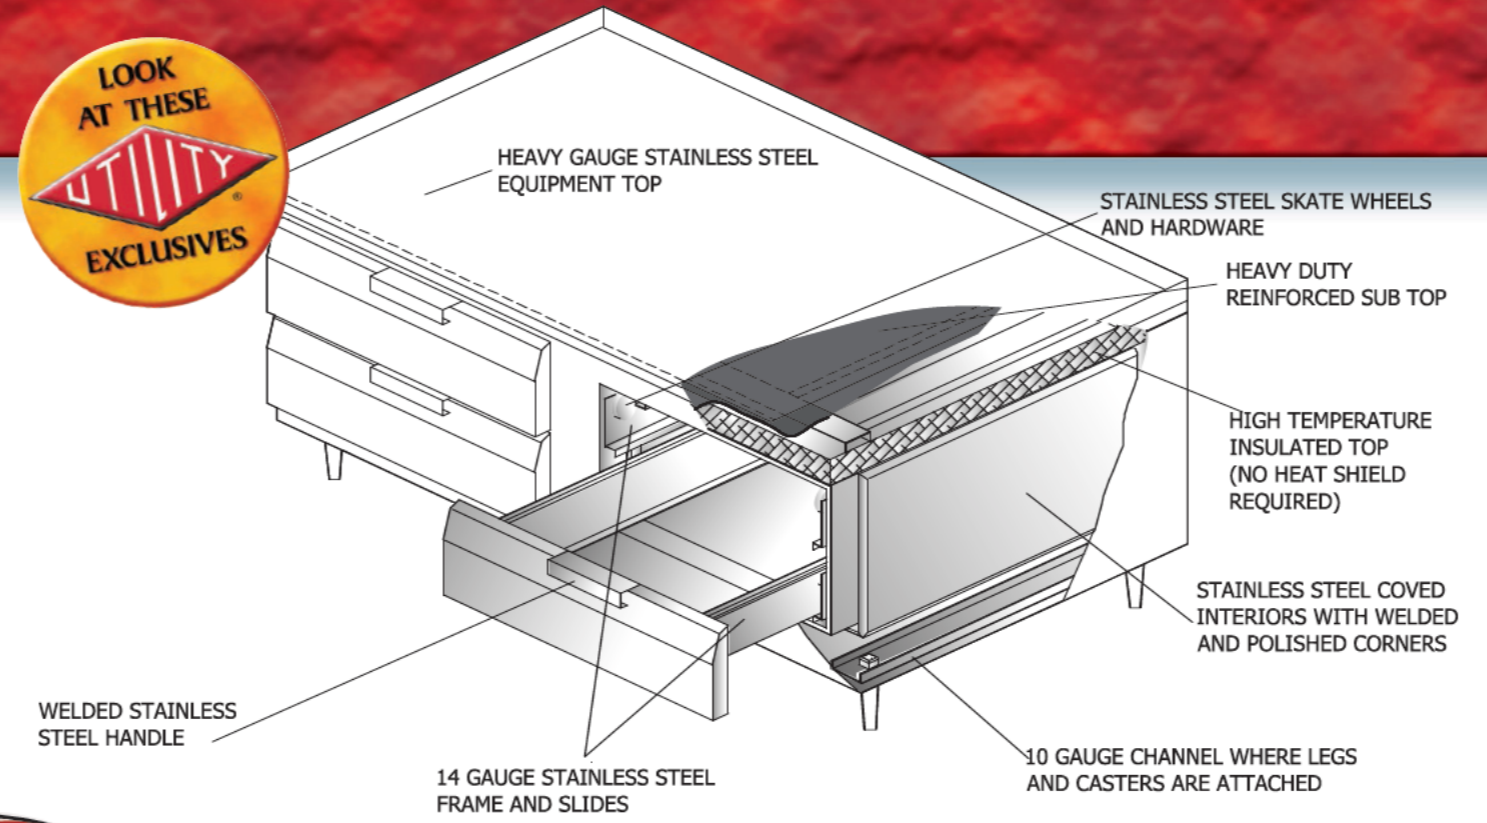

Easy to clean, easy to service, Utility's exclusive slide-out condensing units save time and money. Featuring a built-in main power switch, low-pressure protection and digital controls, the front breathing condensing units allow installation of the Low Height or Counter High refrigerator or freezer flush against the wall or closed on three sides.

PROUDLY MADE IN THE U.S.A.
